Dear Brothers in Arms

Tomorrow sees the invasion of Europe by our troops at what is being called D-Day. It will go down in history as the day when we all decided to fight back and take on the common enemy. We shall fight on the beaches, we shall fight on the landing grounds, we shall fight in the hills; we shall fight in the fields and in the streets. We shall never surrender!

Dear Brothers of Merchiston

Monday, 8 June, sees the return to your beloved school and I know that you are well ready to face the rigours and challenges on this new front. I have every confidence that you will follow every instruction. The success of our return to this familiar ground, lies in your hands. We shall fight COVID-19 on the pathways, we shall fight it on the fields, we shall fight it on the corridors and we shall fight it in our classrooms. We shall never surrender!
